Thursday June 26, 2019-The Ute Tribal auditorium audience was the location for the Miss Ute Tribe pageant. Tribal, community, and family members were in attendance to watch young tribal women share modern and traditional talents. According to Wendy Pinnecoose, Royalty Committee member, “it is getting hard to find young women who are qualified to complete and who actually want to.” This year’s contestants, judged by Clara Jenks and Ioke Perez, showed amazing talent and great courage as they competed before the audience. Red Spirit was on hand to support along with US Veterans Sophia Buffalo and Johanna Jenkins. Irene Cuch was the keynote speaker, along with outgoing Miss Ute Tribe CideahZaha Pinnecoose. Pinnecoose shared all she learned as she carried the title of Miss Ute Tribe and how it was a means of growth to her personally to be able to represent the Ute Tribe.

Following are introductions by the new Ute Tribe royalty:

“Miss Ute Tribe Adrianna Shaw Kowchee, 23 is the daughter of Carla Kowchee and Adrian Kowchee. I like to bake, photograph, listen to Kpop, watch Kdramas and movies. I am going to the Institute of American Indian Art. I am studying cinematic Arts, which is a two year degree. My grandparents are Jackie Nephi and the late Gilford Lee, and the late Evelyn Chimburas and the late Pete Kowchee.”

“Jr. Miss Ute Tribe Atheneona Cailyn Appawoo. I am 13 years old and the daughter of Ciana and Anthony Appawoo, the granddaughter of Ciana and Anthony Appawoo and the late Woodrow Appawoo and Ethel Tom. I will be in the 8th grade at Eagle View. I like to read books, listen to music, draw and paint, play my keyboard, take photos and powwow. I am a jingle dancer. I like to play basketball and softball and travel with my family.”

“Little Miss Ute Tribe Kaeloni Juney Ree Nez, 8 is the daughter of Fananda Nez and Wallace Tapoof, the granddaughter of Ciana and Anthony Appawoo and the late Woodrow Appawoo and Ethel Tom. I will be in the 3rd grade at Ashley Valley Elementary School in Vernal, Utah. I like puppies, swimming and hanging out with my family. I enjoy travelling and attending powwows near and far with my grandma and my brother.”

The new royalty hope to represent the Ute Tribe in a respectful and positive manner. They hope to inspire the younger generation to have a positive outlook on life and to continue their education and have fun. Congratulations to the new 2019-2020 Ute Tribe royalty. The Ute Tribe Royalty Committee consists of Amy Cespsooch (Whiteriver), Wendy Pinneceuse (Uncompahgre) and a current vacant position for the Uintah band.

Welcome everyone,

We are glad to see you all here to celebrate the 100th Anniversary of the Founding of the American Legion with us. First of all I would like to thank the Ute Indian Tribal Business Committee for acknowledging and supporting the Ute Tribal Veterans request to form The American Legion Post here on the U & O Reservation. Without your support The American Legion Post #126 would not be possible. We thank you.

The American Legion was founded after the end of World War 1 when some U.S. Veterans got together in Paris, France on March 15, 1919. World War 1 was dubbed “the war to end all wars”.

This fledgling American Legion was conceived primarily by Theodore Roosevelt Jr. and other Veterans, who saw a need for better care for the injured war veterans and their comrades, they saw the terrible consequences of war. They followed President Lincoln’s call “for America to care for him who shall have borne the battle, and for his widow, and his orphan.”

They met again in St. Louis, after they returned to America, and on May 08, 1919 they held the St Louis Caucus where they adopted the Official name and drafted the Preamble and Constitution of The American Legion…

On June 09, 1919 the 1st National Executive convened and they adopted the American Legion Emblem…

On September 16, 1919 the US Congress officially chartered The American Legion as a National Organization…

November 10, 1919 the 1st American Legion Convention Convened in Minneapolis, where they adopted the Constitution and Preamble and voted to relocate the American Legion headquarters to the current location in Indianapolis.

The Fort Duchesne Post #126 of the American Legion was founded by the Ute Indian Tribal Veterans of World War II after the war. Following in the footsteps of the veterans of WWI they wanted to help the tribal veterans as well as serve the Ute Indian tribe.

Today the American Legion strongly supports the 4 Pillars which are the core foundation of our organization.

The 4 Pillars are;
1- Veteran Affairs and rehabilitation.
2- A strong National Defense.
3- Promoting Patriotism, Honor and Americanism.
4- Mentoring Youth

The American Legion is an organization of Veterans helping Veterans and their families.

Thank you and God bless you and yours
Joseph TapooF - American Legion, Fort Duchesne Post #126

Hello my names is SummerRain James, I am 14 years old. I am the daughter of Roxanna James and the late Floyd James and the granddaughter of Irene and William Thompson. I have three older brothers and one little sister. I have many nieces and nephews.

My hobbies are I love to bead and sing hand game songs to my baby nephew and to play sports. What interest me is remembering my culture and helping when I need to. On the weekends or weekdays my family loves to go fishing, swimming or go to mountains when we have a chance. I love to travel to places with family because I get to meet new people and make friends. I love to go to powwows, bear dance and hand game/stick game tournaments. I grow up to playing sports like softball, basketball and love to watch sports. I am going to be a freshman this year at Uintah high school.

The experience working is that I worked in a family stand, it was really hard at first but I got used to it and I help even if I was in pain. The training that I was given is to never give up on something that you are working on and to respect whoever comes up to for help.

The things that want to accomplish while I am working with summer youth is to get a feeling how it is to work. The feeling that I am making my own money and to keep working with summer youth every year.

Hi. My name is Santana Cuch I’m from Fort Duchesne, but I live in Reno-Sparks, NV. I’m 15 years old and a sophomore at Reed High school. I am currently in the NJROTC program at the school. NJROTC stands for Navy Junior Reserve Officer Training Corp. Though I’m not too athletic, I like to work out. Other interests are playing my violin, play hand game, read and write and very rarely bead. My parents are Darwin Cuch and Mitzi Reilley. I would like to gain some work experience while working with the summer youth program.

Graffiti at Property and Supply

“This is the second incident, within a week that we have seen” stated Ute Indian Tribe Gang/Drug investigator Quinton Serawop. The Ute Tribe’s Property and Supply building has been the recent site of graffiti. According to Serawop this graffiti is different than that he has seen in our community.

According to Government and Politics “Graffiti is considered bad because it is associated with broken window theory and other kinds of street crime. Graffiti is associated with gang activity and tagging behaviors whereby criminal groups indicate the areas they circulate by painting specific symbols on walls and other structures.” ([https://www.reference.com/government-politics/graffiti-bad-4fc86baceacc1b15](https://www.reference.com/government-politics/graffiti-bad-4fc86baceacc1b15))

The investigation is ongoing, but if you have information regarding this, and would like to cooperate with Police in this investigation, please call BIA Dispatch at 435.722.2012. Please provide, if possible, a person of interest’s description, clothing, gender, height, vehicle information, such as license plate, color, make and model, if possible.

OCTOBER 28, 1987 – JULY 10, 2019 (AGE 31)

Geoffrey Riley Cesspooch, age 31, of Ignacio, Colorado, formerly of Ft. Duchesne, passed away on July 10, 2019 with his family by his side in Durango, CO.

Geoffrey was born October 28, 1987 in Roosevelt, to Scott Cesspooch, Sr., and Pamela McCook. He enjoyed being around his kids who were his pride and joy, and spending time with all of his family. He liked to play basketball and thought he was a pro at volleyball. While living in Ignacio he made several new friends who were always glad to visit with him. He spent time listening to music, free styling, gambling, playing fives and dancing. His favorite dance was flossing with his daughters, Moni and Riley. At one point in his life he tried to learn to speak Spanish, and he liked to buy the latest electronics.

Geoff was an outgoing person, always kind, helpful, giving and generous even to those he didn’t know. He had a special gift of brightening others days. We will cherish the short time we had with him and all the nicknames he gave everyone.

He will be deeply missed by all those who knew him. Before he left, he accepted Jesus into his life and at the time of his passing the room filled with peace and his family knew he had made Heaven his home.

He is survived by his children, Moni, Riley and Amire Cesspooch, Roosevelt; mother, Pamela (Tony) Greaves, Ignacio; siblings, Scott (Echo) Cesspooch, Ft. Duchesne; Michael Cesspooch, Sadel (Kelsey) Taualo, all of Ignacio; Mariath Angel, Ft. Duchesne; Trauma Cesspooch; Ignacio; Macias (Saranden) Taualo, grandmother, Ella McCook, aunts and uncles, Tony McCook, all of Ignacio; Shane McCook, Amanda (Bart) Mattkows, Ft. Duchesne; Linda & Tina Moya, Vernal; and other numerous aunts, uncles, cousins, nieces and nephews.

He was preceded in death by his father, Scott Cesspooch, Sr., grandpa, Randolph McCook, Sr., Reuben Cesspooch, Sr., grandma, Nancy Moya, great grandma, Bonnie McKinley, aunts and uncles, Randolph “Bookman” McCook, Jr., Bonita Cesspooch, and Tsinina Isabel Moya.

Funeral services will be held on Monday, July 15, 2019 at 10:00 a.m. at the Pentecostal Church. A wake will be held after 3:00 p.m. on Sunday at Angelo Checora’s home.

Burial in the Ft. Duchesne Cemetery.
