PUBLIC NOTICE TO TRIBAL MEMBERS

This is a public notice to all members of the Ute Indian Tribe. As many of you are aware, the Utah Division of Motor Vehicles has a history of charging vehicle sales taxes and fees on Tribal members residing on Indian country lands within Uintah and Ouray Reservation boundaries. These tax and fee assessments are unlawful and outside the jurisdictional reach of the State of Utah.

The Business Committee has been actively working to address this issue with the State of Utah. However, the Business Committee has been made aware of recent instances of the Roosevelt and Vernal Branches of the Utah Division of Motor Vehicles continuing this unlawful practice.

If you are a Tribal member and you believe you have been unlawfully charged state sales tax or fees in connection with your vehicle, please supply any statements, receipts, or other supporting documentation to Mr. Logan Big Eagle from our General Counsel's office at lbigeagle@nativelawgroup.com, or otherwise contact Mr. Big Eagle at 303-926-5292 to make arrangements for submission of these materials. You may also bring any supporting documentation to the Business Committee Secretary.

Thank you for your attention to this notice.

DATED THIS 27 DAY OF September 2023.

On Behalf of the Ute Indian Tribe Business
Committee:

Julius T. Murray III
Business Committee Chairman
